

Part number: CLS000002 - Model: CLK-A

Dimension in mm

TECHNICAL CHARACTERISTICS

Temperature limits:	Max +100 °C
IP rating:	IP 65
Weight:	100g
Maximum working pressure:	12 Bar
Installation mode:	On the tank wall
Number of electrodes:	1
Electrode holder body material:	AISI316L
Electrode material:	AISI316L
Type of connection:	Type K connector
Connector Material:	PA6

Part number: CLS000002 - Model: CLK-A
